

'a NARNIA Christmas Charity Auction'

As we celebrate Calvary Christian Academy's 15th Anniversary, we are reaching out to the community to support our fund-raising efforts once again. Without the support of friends and community members like you, our vision to continually improve our school would have been only that - a vision.

On November 19, 2011, Calvary Christian Academy will be presenting its annual Christmas Auction. It will be held at the Carleton Place High School Cafetorium. We are expecting a sell-out crowd of 200-300 and will enjoy a live auction, silent auction, desserts and refreshments.

We respectfully request that you and your business consider supporting this event. We will gratefully accept donations of items, merchandise or services that can be sold in the auction. Cash donations are always welcome. We issue appropriate charitable donation receipts upon request. In addition to our thanks for your donation, each sponsor has a dedicated write-up and, depending on the donation, (live or silent auction item), is given a verbal promotion as well. We can also promote sponsors on the auction website by providing links to your business website. Many businesses have gained new customers through this event.

Calvary Christian Academy (CCA) is a registered non-profit organization located between Kingston and Ottawa. Children in our school come from Perth, Smiths Falls, Carleton Place, Kanata, Stittsville, Lanark, Manotick, Richmond and Barrhaven. Our aim is to develop children of good character.

If you wish to make donation arrangements or have any questions, you can contact Jenny Erwin, auction coordinator, at 613-267-7106 or auction@calvaryca.com.
