Mission/Statement of Faith

Mission Statement

As a secondary institution our mission at CCA is to provide an innovative and dynamic learning environment that provides all students with multiple opportunities for success and self-actualization. We will take a holistic approach to the development of each student as a “whole person” challenging them and nurturing them intellectually, physically, emotionally, psychologically, socially and spiritually. Our goal is to develop our students into independent and capable young adults with a desire to serve the Lord and others, by providing them with an education rooted in core Christian values. We will pursue every avenue to ensure that our students are well equipped to navigate the challenges of post-secondary education and vocational choice.

Statement of Faith

1. The inspiration of the Bible, equally in all parts and without error in its origin.
2. The one God, externally existent father, Son and Holy Spirit, who create man by a direct immediate act.
3. The pre-existence, incarnation, virgin birth, sinless life, miracles, substitutionary death, bodily resurrection, ascension to Heaven and second coming of the Lord Jesus Christ.
4. The fall of man, the need of regeneration by the operation of the Holy Spirit on behalf of all: to life or damnation; basis of grace alone, and the resurrection.
5. The spiritual relationship of all believers in the Lord Jesus Christ, living a life of righteous works, separated from the world, witnessing of His saving grace through the ministry of the Holy Spirit.

It is our desire at CCHS to direct our students and families to a personal relationship with our Heavenly Father and Jesus Christ. By attending CCHS you are agreeing to be open to the intent and direction of CCHS.
