To Whom It May Concern,

Calvary Christian Academy is a registered charity (#880514963RR0001) dedicated to developing children of outstanding character, faith, and education. It is the Academy's desire that the education at our school be available to anyone; therefore, our fundraising efforts are important as we seek to keep school costs affordable.

The last six months have been a challenging time for everyone, and schools are no exception. While we recognize that many businesses are still changing and recovering from the effects of the global pandemic, CCA humbly requests your help as we instill in our students the value of good character, strong faith and quality education despite the uncertainty of the world around us. Your donation to our fundraising auction will go a long way towards our children's growth through their learning at CCA. While the auction may look different this year with everything being auctioned online, our appreciation of your generosity remains steadfast. Your donation of goods, services, or cash is very much appreciated. *(We are able to issue tax receipts following CRA's guidelines as detailed on the donation form.)* Please visit our website for more information www.calvaryca.com.

Thank you for your consideration. Please contact me with any questions.

Sincerely,

Jenny M. Erwin
