To Whom It May Concern,

Calvary Christian Academy is a registered charity (#880514963RR0001) dedicated to developing children of outstanding character, faith, and education. It is the Academy's desire that the education at our school be available to anyone; therefore, our fundraising efforts are important as we seek to keep school costs affordable.

This letter is to request your help as we instill in our students the value of good character, strong faith and quality education despite the uncertainty of the world around us. Your donation to our fundraising auction, taking place online from December 8-10, will help generate the funds needed to operate the academy. All of the proceeds raised at the auction go directly to school expenses. We will be accepting donations until November 30.

We greatly appreciate your donation of goods, services, or cash. *(We are able to issue tax receipts following CRA's guidelines as detailed on the donation form.)* Please visit our website for more information: [www.calvaryca.com](http://www.calvaryca.com).

Thank you for your consideration.

Sincerely,

CCA's Auction Coordination Team
